TRAINING CENTRE
It's agreed, the most-likely reason Hermann Maier won the Super-G at Lake Louise interstart in November was his pre-race training at Sun Peaks. In a five-year deal, the Austrians have exclusive rights to train at Sun Peaks. Not only that, they plan to base part of their team there during the Olympics. The schnitzel and pilsner at the Stombeck Club helped the decision too.

Family Friendly

SUN PEAKS
RESORT

Rediscover yourself.
