REMEMBER
THAT HAPPINESS
IS A WAY OF TRAVEL —
NOT A DESTINATION.

Roy M. Goodman

Founded in 1973, Park City Transportation started with a fleet of two blue station wagons. Over 30-years later, it has grown into a large modern fleet consisting of all new Chevrolet passenger vans, Cadillac Escalades, mini-buses and mid-size motor coaches.

We have a new reservation system, which includes an on-line booking portal for wholesalers and a separate on-line portal for individual travelers.

Park City Transportation has a well-trained, staffed desk in both terminal-1 and terminal-2 at Salt Lake International Airport.

During the ski-season, our reservation office and dispatch operates 24-hours a day.
